Boardroom Presentations

At StorePoint Retail, you will have the opportunity to present your Company, innovations, and capabilities in a unique setting. The Boardroom presentations take place on Monday and Tuesday morning. Your Company will be presenting to a small Boardroom Group of Retail Executives. These groups will be comprised of Retail Executives who have similar interests or needs in products and categories. We guarantee at least seven (7) Retail Executives in each group. The presentations are 20 minutes in length and should provide a high-level overview of the innovations and capabilities that your Company offers.

You will have the opportunity, several weeks prior to the Event, to review and approve your Preliminary Schedule. Your Company's schedule will be available from this point onwards to aid in your team's planning and management.

PRESENTING YOUR COMPANY

Given the caliber of the Audience, present your Company and solutions on a strategic level.

Keys to Success in mind.

- Your twenty minutes includes Q&A and time for Retail Executives to answer your questionnaire on their mobile device.
- Gain insight into how your Company can be a better partner/Supplier.
- Build questions into your presentation and weave them into the conversation.

When presenting your Company/products/services:

- Focus on key benefits.
- What do you do?
 - What does your Company offer?
 - What problem(s) can you solve? (As opposed to giving granular detail on how it works).
 - Comparative benefits/ROI?
 - How does it impact the customer experience?
 - Focus on specific projects/highlight a case study.
 - What differentiates your solution from the competition?
- Avoid using Boardroom Presentation time to detail the history of your Company.

Consider using case studies or real-world examples to:

- Focus on your annual/current innovations.
- Illustrate your expertise.
- Demonstrate real world (tangible) results.
 - Before/after photos, if applicable.
 - Share results from highlighted case study.
- If using a current customer, ask for permission to reference their case.

Keep in Mind

- Returning Suppliers should avoid repeating presentations from prior years.
- If you know that a current customer will be in the session – be sure to ask them for permission to reference work you have done together (and results).
- Include key industry data points that support your proposition but don't drown them in statistics.
- Please note: collect business cards for contact information as we do not distribute email addresses or direct phone numbers

PRESENTING YOUR COMPANY *previous*

Presentation Software

You do not have to use an electronic presentation in your Boardrooms, but should you choose to, consider the following guidelines:

Presentation Design

- Create a logical structure / roadmap.
- Save a backup copy of your presentation.
- Keep written notes to refer to if you want to go into further detail.
- Be creative, make your presentation memorable.
- Do not read from the slides.

Visual Clarity

- Limit the number of slides being used, and the amount of words on each slide.
- Use large, legible font.
- Use visual aids.

Know Your Environment.

Your Boardroom setting is available twenty (20) minutes prior to your presentation time. Arrive early and use this time to enter the room and setup. To avoid difficulties, consider finding your Boardroom location the day prior and get acclimated to your environment; know where you will need to stand. Be poised to greet the Retail Executives as they enter the room and prepared to begin your presentation immediately.

Rely on Our Team.

Allow us to help talk through your presentation. [John Hurley](#) would be happy to review your presentation before the Event and provide feedback. Reach out to him directly to schedule a call with your team.

Takeaways

If you choose to provide a takeaway, please review the following:

- Remember that not all Retail Executives are able to accept takeaways.
- Be cognizant of the weight and size of your takeaways.
- Items that exceed the 18"x14"x12" size of the shipping box will be the responsibility of the Supplier to ship.
- Liquids cannot be shipped.

We do not believe that takeaways are essential for your success.

BOARDROOM LOGISTICS

Boardroom Timing

Each Boardroom session runs **twenty (20) minutes** in length.

- Retail Executives have a five (5) minute transition time between Boardroom Presentations.
- Supplier Companies will have twenty (20) minutes prior to the start of their Boardroom Presentations to set up.
- Supplier Companies have five (5) Minutes to break down and depart the room.

Boardroom Presentations that require additional set up/breakdown time, or extra assistance, need to be discussed with a sales manager. Additional labor costs might apply.

CPMG Boardroom Group Leader

- Each Retail Executive group will be assigned a CPMG Group Leader who will stay with that group for the duration of the Event.
- The Group Leader's responsibility is to time the Boardroom sessions, ensuring that each presentation starts and finishes on time.
- Prior to the start of your Boardroom, the Group Leader will introduce themselves and ask if you would like them to give you a visual warning when your presentation time is almost up.
- During the session, the Group Leader will stay near your Boardroom as much as possible.
- At the agreed upon time, he/she will enter the room and provide you with a signal that you agreed upon, at which point, you should begin closing your presentation.
- At the twenty-minute mark the Group Leader will end your session and move the Retail Executive Group to the next session. Again, there are only five minutes between sessions, so this will happen very quickly.
- The Group Leader will let you know when the next Retail Executive Group is on the way.

Audio Visual Technicians

- Each Boardroom group will be assigned an AV technician to provide support in connecting your device to their provided equipment.
- Setting display resolution.
- AV technicians are not responsible for formatting your presentation or other application settings.

Boardroom Feedback

Retail Executives are asked to provide feedback on presentations through the StorePoint Retail portal, which enables you to view feedback in real time as soon as it is submitted by the Retail Executives.

Feedback includes:

- A Rating of the quality of your Company presentation. You will also see the overall Event average as a comparison point.
- Retail Executives may also include a comment regarding the score they have given.
- Retail Executives can choose to share their email addresses with you.
 - Note that contact information is shared in no other capacity; it is your responsibility to collect this information throughout the Event.

Questionnaire

If your Company has specific questions for the Retail Executives, we encourage they be asked through the StorePoint Retail Portal.

- Within the StorePoint Retail Portal “settings” tab, you can select the three questions that you would like to ask the Retail Executives.
- You may use the three default questions provided, or you may change them by adding up to three multiple choice questions of your own.
- Your team can see these responses and who gave them within the “Results” tab.
- Your questions can be edited until Monday morning at 8:00am of the Event.
- NOTE: This feature may be updated prior to StorePoint Retail.

The screenshot shows a web form titled "Presentation Score & Feedback" with a purple header. Below the header, it says "Datalogic: Boardroom [12:15-12:40 PM]". The form contains five numbered questions:

- "1. Rate Quality of Presentation:" with five star icons and a "(No Rating)" option. Below the stars are the words "Poor" and "Great". A text box for "Comments:" is below this.
- "2. ☐ Share email address with Datalogic?" with a text box.
- "3. What timeframe would you potentially be looking to use our solution(s)/service(s)?" with a text box.
- "4. How would you like to us to follow up from this presentation?" with a text box.
- "5. On a scale of 1-4, rate your interest in our Company/offering. (4 - being the highest)" with a text box.

At the bottom right of the form are the links "Oops-go back" and "Submit".

One-on-One Appointments

On Monday and Tuesday afternoons, you will be participating in One-on-One Appointments. These meetings are 15 minutes in length, with a 5-minute transition, and have been designed to provide you with a private environment to continue building your business relationships. Each Supplier Company will be provided a designated meeting area in which these One-on-One Appointments will take place.

Preparation for One-on-One meetings is similar to that of a sales call:

- Know who you are meeting with.
- Have an objective for each meeting.
- Ensure that there is a clearly defined follow up plan.

One-on-One Appointment Request System

A few weeks prior to the Event, you will receive access to your Company's Preliminary Schedule through the StorePoint Retail Portal. You will receive an email notification from CPMG when your preliminary schedule is available for review. Your Company's schedule will be available from this point onwards to aid in your team's planning and management. Additional information on the system, instructions on its use, and log-in and password details will be emailed prior to the Event. A demonstration video of the Scheduling Tool will be sent out to all attendees.

You may only schedule One-on-One Appointments with Retail Executives for the time shown on the agenda set aside for One-on-One Appointments.

ONE-ON-ONE APPOINTMENTS [previous](#)

One Week before Event

- Be sure that the address “**ADMIN@CPMGEVENTS.COM**” is in your Company’s “safe email list” so these informative emails do not end up in spam folders
- Retail Executives can send appointment requests to Supplier Companies.
- When a Retail Executive makes a request of your Company, each member of your team attending the Event will receive an automated email.
- Your Company will be allowed to respond to these requests via the StorePoint Retail Portal.
- Supplier Companies are **not** able to send requests at this time.

Saturday before the Event

- Your Company may begin sending meeting requests to Retail Executives Saturday of the Event weekend.
- The scheduling system is accessible through any internet-enabled device.
- At any one time, your Company can have five (5) outstanding requests to Retail Executives. As the Retail Executives respond, your Company can make additional requests.

Helpful to Know

- Have a plan for who will lead your Appointment requests onsite. We recommend that one (1) person be responsible for making and responding to requests to maximize your efficiency and prevent duplicate requests being made.
- Prior to using the Appointment request tool, determine with which Retail Executives your Company would like to meet.
- Keep in mind that if you are seeing a Retail Executive in a Boardroom on Tuesday, you would want to request that One-on-One on Tuesday, not Monday.
- Depending on how many attendees you have participating in the Event, you can “double book” your Company, meaning you would have two (2) simultaneous meetings with two (2) Retail Executives at the same time.
 - There are extra tables set up around the ballroom to host a second meeting if your team is “double booked”.
 - These tables are not assigned; please don’t “claim them” or move them, as they are intended to be shared and to provide additional space for all attendees.
- If you double book Appointments, determine who from your team is meeting with each Retail Executive so they are prepared to welcome them as they arrive.

ONE-ON-ONE APPOINTMENTS [previous](#)

Peer Meetings

- Suppliers can use the Appointment request system to schedule meetings with other Supplier Companies.
- This is a great way to meet with partners or potential partners during any down time you might have at the Event. You can use this time to collaborate with your peers and explore potential business opportunities or connect on existing relationships.
- These meetings times do not conflict with One-on-One Appointment times and the Scheduling Tool will only allow you to request meetings outside of the afternoon One-on-One schedule. You may determine the location and length of the meeting when making the request.
- These meetings **cannot** be requested using the connect! Mobile app but can be seen within your schedule on the app. Meetings must be made using the web-based My StorePoint Retail Portal.

Displaying Marketing Material

- This (8'x8' space) is intended for private meetings with the Retail Executives.
- **This is not an area to display products.**
- Marketing materials must remain within your One-on-One space, this includes packaging used to ship your materials to the Event.
- Nothing should be hung or attached to structure/material.
- Free standing signage may be placed against the back or side walls or on the table tops provided all signs meet the requirements listed below:
 - Signs against the back wall should not be taller than 6' (just below the white curved sign).
 - Signs against the side wall should not be taller than 3'.
 - Signs on your table top should not be more than 1' tall.
- CPMG reserves the right to remove any signage that does not comply with the requirements listed above.

ONE-ON-ONE APPOINTMENTS [previous](#)

Included as part of your participation package, each Supplier will receive the following

One-on-One Area Set-up:

- 1 Backdrop Unit (with Supplier Company Name and location number)
- 1 30" Round Skirted Table
- 4 Chairs
- 1 5amp/500 Watt Plug Strip
- Wireless internet

If you require equipment other than what comes standard (outlined above), you will need to order directly through CommCo (see [FORMS](#) section).

One-on-One Meeting Place Etiquette

- The meeting area has been designed for quiet, private dialog between Retail Executives and Suppliers. You will not find a traditional trade show appearance or the traffic.
- Do not “grab” Retail Executives when they walk past your location, as they are on their way to a scheduled Appointment; in order for the schedule to stay on time, the Retail Executives must move quickly to their next Appointment.
- If you would like to meet with a Retail Executive during the One-on-One time that you are not scheduled with, please use the online system to make those requests.
- We ask all participants to be considerate of their neighbors in the One-on-One area and to refrain from loud music or audio demonstrations.
- There are some extra tables set up around the ballroom to host a second meeting if your team is “double booked.” These tables are not assigned; please don’t “claim them” or move them, as they are intended to be shared and to provide additional space for all attendees.

One-on-One Meeting Strategy

- An empty area is a lost opportunity, have at least one team member in your area at all times.
- Know your schedule and plan which team member will greet your pre-scheduled Retail Executive; this is very important if you have pre-scheduled two Retail Executives from different companies at the same Appointment time.
- Mingle in the open areas to meet additional participants.
- Please request business cards as Connecting Point Marketing Group **does not** distribute email addresses or direct phone numbers.
- Take notes during your meetings for post-Event follow up.
- Be present.

Registration Details

Registration for the Event takes place in two parts.

Your credentials to login and begin Registration will be emailed to your Company's Event Contact by [Stacie Goddard](#).

Registration Part 1:

Complete your Company's profile, submit a Company logo, specify what categories of products/services you will be offering at the Event, and will register your Company's specific Event attendees.

When Registration Part 1 closes, Registration Part 2 will open.

Registration Part 2:

Indicate the Retail Executives you would most like to see in your Boardroom Presentations. During this time, you will also separately select up to five (5) preliminary Retail Executives that you would like to request to meet in a One-on-One Appointment. CPMG will manage all pre-event requests in order to maintain one point of contact.

What Happens Next? / How it Works

- Your input with your Retail Executive Selections, as well as with the product/service categories, is critical to building your schedule.
- Retail Executive groups are created to represent similar buying power, being thoughtful about the make-up of each group's interests, responsibilities, and background, etc.
- We then match your interests with the 'groups of Retail Executives' which have the optimal fit with your requests/categories.
- This ensures that you will be presenting to Retail Executives who have qualified interest.

FAQs

FAQs [previous](#)

Where is the StorePoint Retail Information Desk?

This will be the "information hub" throughout the Event.

- Beginning Monday, February 11th at 7:00am, located in the Culturekeepers Hall West. Come to the Information Desk for Event questions, Late Registration, Event Badges, and Materials pick-up.

What if I am arriving outside of the Registration Times?

- If you will miss Sunday's registration and plan to attend the Welcome Reception, email [Stacie Goddard](#), as you need your badge to attend all social events at StorePoint Retail.

What is Supplier Reception and Orientation?

- A Retail Executive and a Supplier will join our panel to share their thoughts on how to be successful at StorePoint Retail.
- A representative from our AV provider, CommCo Productions, will be available if you would like to test your presentation with the LCD projectors that will be supplied in the Boardrooms.
- Even if you've been to an Event before, consider attending the Reception/Orientation just the same. We are always sharing new information, and it's a great way to socialize and interact with your peers in a relaxed environment.

What are the Networking Opportunities?

Within the Event agenda, you will find many opportunities to enjoy first class meals and events designed to expand, develop, and strengthen your business relationships. From the Welcome Reception on Sunday, to the Closing Dinner and Entertainment on Tuesday evening, and everything in between, the opportunities to connect are numerous, so don't forget to bring plenty of business cards.

Additional tips:

- Attending all networking functions.
- Split up your team and mingle individually with the Retail Executives.
- Invite Retail Executives to sit with you.
- Exchange business cards.
- Using the social functions to build relationships with the Retail Executives.
- Avoid heavy discussion unless initiated by the Retail Executive. If you build a relationship, there will be time for the sales pitch later.
