Important Event Announcement

C-StorePoint Cancels September Event, Announces Virtual Experience

C-StorePoint planned for September 20 – 23, 2020 has been canceled. Amid the challenging circumstances arising from COVID-19, it has become clear that hosting C-StorePoint in Florida this September is not possible.

The cancellation of the live Event is due to developments regarding the ongoing progression of the COVID-19 pandemic, including the latest government data, measures and guidelines on the phased reopening plans in the U.S.; current restrictions on congregating and large gatherings imposed by states and other government and public health authorities; and the various company-imposed travel restrictions on employees affecting attendees and participating companies.

While we are so disappointed that we won't get to see you in person this year, our commitment to bringing business partners together for learning, innovation and partnership opportunities to the industry is stronger than ever.

As part of our commitment to you and the needs of the community, we are pleased to offer C-StorePoint Virtual as an online Event to provide you connections and insight, scheduled for October 6 – 7, 2020. To receive information on the virtual experience, please [click here](#).

Our next in-person Event is scheduled May 16 - 19, 2021 at the Hyatt Regency Hill Country Resort in San Antonio, Texas. We will, of course, work closely with the venue and our partners to ensure we host a productive, safe and healthy Event for all.

We are so grateful to be part of a strong, resilient and rebounding Convenience Store community. Your safety and health are of paramount concern to us, and we thank you for your understanding as we all navigate through this challenging time and hope you will join us for C-StorePoint Virtual.

Our Best, The C-StorePoint Team
