Important Event Announcement

Sr. LivingPoint Cancels October Event, Announces Virtual Experience

Sr. LivingPoint planned for October 25 - 28, 2020 has been canceled. Amid the challenging circumstances arising from COVID-19, it has become clear that hosting Sr. LivingPoint in New Mexico this October is not possible.

The cancellation of the live Event is due to developments regarding the ongoing progression of the COVID-19 pandemic, including the latest government data, measures and guidelines on the phased reopening plans in the U.S.; current restrictions on congregating and large gatherings imposed by states and other government and public health authorities; and the various company-imposed travel restrictions on employees affecting attendees and participating companies.

While we are so disappointed that we won't get to see you in person this year, our commitment to bringing business partners together for learning, innovation and partnership opportunities to the industry is stronger than ever.

As part of our commitment to you and the needs of the community, we are pleased to offer Sr. LivingPoint Virtual as an online Event to provide you connections and insight, scheduled for October 26 – 27, 2020. To receive information on the virtual experience, please click [here](#).

Our next in-person Event for the Sr. Living community is planned for October 3 – 6, 2021 at the Hyatt Regency Coconut Point in Bonita Springs, Florida.

We are eager to connect and support the Sr. Living community. Your safety and health are of the utmost concern to us, and we thank you for your understanding as we all navigate through this challenging time and hope you will join us for Sr. Living Virtual!

Our Best,

The Sr. LivingPoint Team
