What to Expect

OUR HEALTH & SAFETY PLAN

We are excited to welcome you to discuss innovation, forge new relationships and celebrate old ones. Our team is committed to creating an Event experience where our customers, partners, and team can safely and effectively conduct business.

We are monitoring the rapidly changing landscape and will evolve our Health & Safety protocols accordingly. We will follow CDC guidelines as well as what is being mandated by government and local authorities.

This plan is fluid and will continue to evolve. Please check back periodically for updates.

Read on to find out what health measures we have in place and how you too will play a role in moving forward safely.

As you travel to StorePoint Retail

- Have you completed a self-assessment, and are you symptom-free? If you feel sick, please stay home; or while at StorePoint Retail; please refrain from entering the Event spaces. Please notify your CPMG contact (see staff contact list). You can refer to the CDC's COVID-19 Self-Checker reference guide for any questions on symptoms by clicking [here](#).
- **Check your flight and travel arrangements.** See Health & Safety guidelines from the airlines below that will provide insight/expectations for your travel. Please plan accordingly and **allot extra time when arriving** for transportation, registration and hotel check-in.
- **Please make sure you have packed face masks.** Wearing your mask is currently required at all times at the Event. Masks will also be provided, if one is needed.

At the Event

- For your safety; **STOREPOINT RETAIL may need to have a no-contact policy in place this fall.** More details will be provided at a later date.
- In addition to the current requirement **to wear a mask; temperature screenings** may be a requirement at the Event. In lieu of that, we may ask you to do your own daily health screening (see symptom checklist in our T&C's) and ask that you not come down from your room if you are experiencing any symptoms.
- We will implement **queue lines to ensure 6-foot distancing is safely enforced.** We will remind you to **keep a safe distance from others with floor graphics** and stanchions.
- **Transparent barriers on registration counters** may be implemented for enhanced safety and our staff will regularly clean all equipment.
- **Please follow all recommended Health & Safety Measures** including: Stay 6 feet from one another, wash your hands often, cover your cough or sneeze, and stay in your guest room if you are sick.

- We have **designed the space at the Event to allow for social distancing and one-way entrances/exits**. One-on-One Area and the boardrooms will be reconfigured to allow for social distancing.
- **We have increased staff and security** to provide the BEST customer service and information accessibility.
- Seating areas will be properly distanced and transparent shields will be placed at food and beverage locations. Hand sanitizer stations will be positioned throughout the Event.
- Suppliers will have access to **enhanced cleaning and disinfection supplies** for their One-on-One Area.
- **Trash will be removed** within Event areas with greater frequency.
- **Daily disinfecting by hotel** will take place to sanitize all seating, restrooms and frequently touched public areas. Individual cleaning kits will be provided at each One-on-One area.
- Feeling sick unexpectedly at the Event? **Medical personnel will be available** to assist anyone feeling unwell.
- **We have an open line of communication** in place with our hotel partners, and local health officials.
- We will coordinate with the hotel to ensure **the venue is safe, clean** and ready for business, with ongoing inspections throughout our stay!
