What to Expect

OUR HEALTH & SAFETY PLAN

We are excited to welcome you to discuss innovation, forge new relationships and celebrate old ones. Our team is committed to creating an Event experience where our customers, partners, and team can safely and effectively conduct business.

As you plan for SeniorLivingPoint this year, read on to find out what health measures we have in place and how you too will play a role in moving forward safely.

- Have you completed a self-assessment, and are you symptom-free of COVID-19? If you feel sick, please stay home; or while at SeniorLivingPoint; please refrain from entering the Event spaces. Please notify your CPMG contact (see staff contact list). You can refer to the CDC's COVID-19 Self-Checker reference guide for any questions on symptoms by clicking [here](#).
- **Check your flight and travel arrangements.**
- **Face Masks.** Per CDC guidelines: attendees fully vaccinated are not required to wear masks at the Event. Attendees not fully vaccinated must wear a mask (or self-certify of a recent negative test result.) Masks will also be provided, if one is needed.
- **Social Distancing requirements** will be in compliance with the venue guidelines.
- **Please follow all recommended Health & Safety Measures** including washing your hands often, covering your cough or sneeze, and we ask that you not come down from your room if you are sick.
- Feeling sick unexpectedly at the Event? **Medical personnel will be available** to assist anyone feeling unwell.
