## Important Event Announcement

### C-BuildPoint Cancels September 2021 Event

C-BuildPoint, originally planned for September 19-22, 2021, has been cancelled. Amid the challenging circumstances relating to the emergence of the COVID-19 Delta variant in Texas, it has become clear that assembling the Chain Executive audience for C-BuildPoint 2021 is not possible.

The cancellation of the live Event is due to developments regarding the ongoing progression of the COVID-19 pandemic, including government restrictions on international travel to and returning from the United States, as well as various company-imposed travel restrictions on employees affecting attendees' ability to gather in Texas for the Event.

While we are so disappointed that we won't get to see you in person this year, our commitment to bringing business partners together for learning, innovation and partnership opportunities to the industry is stronger than ever.

Our next in-person Event is scheduled for September 18-21, 2022 at the JW Marriott Orlando, Grand Lakes Orlando, Florida. We will, of course, work closely with the venue and our partners to ensure we host a productive, safe and healthy Event for all.

We are so grateful to be part of a strong, resilient, and rebounding Convenience Store community. Your safety and health are of paramount concern to us, and we thank you for your understanding as we all navigate through this challenging time and hope you will join us for C-BuildPoint 2022

Our Best, The C-BuildPoint Team
