Important Event Announcement

HealthPoint Cancels September 2021 Event

HealthPoint originally planned for September 26-29, 2021, has been cancelled. Amid the challenging circumstances related to the emergence of the COVID-19 Delta variant in Illinois, it has become clear that assembling the Executive audience for HealthPoint 2021 is not possible.

The cancellation of the live Event is due to developments regarding the ongoing progression of the COVID-19 pandemic, including government restrictions on international travel to and returning from the United States, as well as various company-imposed travel restrictions on employees affecting attendees' ability to gather in Illinois for the Event.

While we are so disappointed that we won't get to see you in person this year, our commitment to bringing business partners together for learning, innovation and partnership opportunities to the industry is stronger than ever.

Our next in-person Event is scheduled for September 11-14, 2022 at the Hyatt Regency Coconut Point Resort and Spa in Bonita Springs, Florida. We will, of course, work closely with the venue and our partners to ensure we host a productive, safe and healthy Event for all.

We are so grateful to be part of a strong and resilient healthcare community. Your safety and health are of paramount concern to us, and we thank you for your understanding as we all navigate through this challenging time and hope you will join us for HealthPoint 2022

Our Best, The HealthPoint Team
